About School

Calvary Christian High School is a ministry of Calvary Baptist Church and is located in beautiful Clearwater, FL (Tampa Bay area). The school began in 2000 with the mission to “partner with the Christian home to provide a challenging college preparatory Christian education that equips students to live successfully according to God’s plan for their lives.” Since 2000, Calvary has graduated hundreds of students who have gone on to further their education at some of the top colleges and universities in America. Many are beginning to establish their careers as they fulfill their purpose in life. The school has grown from its beginning of 40 students to over 650 students enrolled today in grades 9 – 12. Calvary offers a balanced approach in its educational philosophy. The advanced academic opportunities include honors, dual credit, and advanced placement classes. The exposure to the arts prepares students to discover and develop their talents, gifts, and abilities in ways that have the potential to influence their community for the rest of their lives. In athletics, Calvary provides opportunities for students on 34 teams competing against area schools as a member of FHSAA. These three areas of emphasis are rounded out and stabilized by a Christian worldview. It is foundational to our mission that a Christian worldview be integrated into each subject and activity. As such, Calvary students are more than prepared to enter the next phase of their life after high school graduation. Calvary is fully accredited by the Southern Association of Colleges and Schools (SACS), the Association of Christian Schools International (ACSI), and the Florida Council of Independent Schools (FCIS).
