About School

Wilmington Christian Academy, as a ministry of Grace Baptist Church, exists to assist parents in teaching students to glorify Jesus Christ in the pursuit of spiritual, academic, physical, and social excellence.

Wilmington Christian Academy was founded in 1969 as a ministry of Grace Baptist Church. Since that time the Academy has grown to be the largest private school in southeastern North Carolina. Serving 1,000+ students in grades PreK2 – 12, WCA fulfills all requirements of the North Carolina Division of Non-Public Instruction and is a member of the American Association of Christian Schools and the North Carolina Christian School Association. The Academy is fully accredited by the North Carolina Christian School Association, The National Council for Private School Accreditation, Cognia, and the North American Christian School Accrediting Agency.

We desire to lead our students to a saving knowledge of the Lord Jesus Christ and then assist them in conforming their lives to His image. The spiritual, social, and academic atmosphere at WCA is designed to produce productive, intelligent young people who are prepared and willing to take the message of Jesus Christ into our society.

Our school is located on a large campus at the beginning of I-40. The complex consists of a large auditorium building, 2 educational buildings, Kids' Campus/preschool, fine arts center, gymnasium, full-service cafeteria, art studio, 4 modular buildings, 2 athletic fields, and 3 playgrounds. Our students enjoy educational technology that includes interactive whiteboards in the classrooms, an excellent 27-station main computer lab, multiple mobile laptop/Chromebook labs, 2 well-equipped science labs, a fitness center, special education resource center, and a media center.
